

Jesus is our example!

He prayed often to God the Father —
and He always prayed real.

In other words, he spoke and
listened to God honestly and openly.

At times He just talked to God.

Other times He cried or questioned.

He frequently thanked and praised His Father.

He regularly made requests,

asked His Father to guide Him,

and spoke to God on behalf of others.

But at all times, Jesus' attitude was this:

"I need to touch base with my Father.
I need to talk things over
with Him."
